A

AAFP

ACOG/AAFP guidelines for obstetrics and gynecology (*let*), February 15, p. 774

abdominal pain

childhood pancreatitis (*article*), May 1, p. 2507

chronic abdominal pain in childhood: diagnosis and management (*article*), April 1, p. 1823

abnormal growth curves

screening for inborn errors of metabolism in children (*let*), February 15, p. 784

abuse

AAP updates its guidelines for evaluation of sexual abuse (*med rep*), April 1, p. 2014

elder mistreatment (*article*), May 15, p. 2804

primary prevention of child abuse (*article*), March 15, p. 1577

suspected abuse in an elderly patient (*curb con*), March 1, p. 1319

ACE inhibitor

ACE inhibitor therapy: benefits and underuse (*ed*), January 1, p. 35

ADHD

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

adhesive capsulitis

adhesive capsulitis: a sticky issue (*article*), April 1, p. 1843

adolescents

ACOG releases a statement on identification and treatment of adolescent victims of sexual assault (*med rep*), March 15, p. 1688

heart disease prevention begins in childhood (*ed*), April 15, p. 2093

interventions to reduce cardiovascular risk factors in children and adolescents (*article*), April 15, p. 2211

shoulder instability in young athletes (*article*), May 15, p. 2773

advance care

advance directives in patient care: if you ask, they will tell you (*ed*), February 1, p. 530

end-of-life care and family practice (*ed*), March 15, p. 1388

incorporating advance care planning into family practice (*article*), February 1, p. 605

alcohol

alcohol-related problems: recognition and intervention (*article*), January 15, p. 361

prevention of relapse in alcohol dependence (*let*), April 1, p. 1753

allergy

manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

alternative medicine

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

over-the-counter melatonin products and contamination (*let*), January 15, p. 284

potentially fatal natural remedies (*let*), March 1, p. 1116

aminoglycosides

single vs. multiple daily dosing of aminoglycosides (*let*), May 1, p. 2430

amyotrophic lateral sclerosis

amyotrophic lateral sclerosis: Lou Gehrig's disease (*article*), March 15, p. 1489

anemia

ambulatory management of common forms of anemia (*article*), March 15, p. 1598

'common' uncommon anemias (*article*), February 15, p. 851

angiotensin-converting enzyme

ACE inhibitor therapy: benefits and underuse (*ed*), January 1, p. 35

angiotensin-II receptor antagonists

angiotensin-II receptor antagonists: their place in therapy (*article*), June, p. 3140

ankle injuries

snowboarding injuries (*article*), January 1, p. 131

antibiotics

confronting antimicrobial resistance: a shared goal of family physicians and the CDC (*ed*), April 15, p. 2097

single vs. multiple daily dosing of aminoglycosides (*let*), May 1, p. 2430

when a parent insists on antibiotics for a virus (*curb con*), February 1, p. 687

anticoagulation

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945

low-molecular-weight heparin in preventing and treating DVT (*article*), March 15, p. 1607

stroke: part I. A clinical update on prevention (*article*), May 1, p. 2475

stroke: part II. Management of acute ischemic stroke (*article*), May 15, p. 2828

warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

antidepressant therapy

mirtazapine: a newer antidepressant (*article*), January 1, p. 159

postpartum major depression: detection and treatment (*article*), April 15, p. 2247

sertraline in the treatment of obsessive-compulsive disorder (*let*), January 1, p. 49

antihypertensive therapy

angiotensin-II receptor antagonists: their place in therapy (*article*), June, p. 3140

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

antimicrobial therapy

confronting antimicrobial resistance: a shared goal of family physicians and the CDC (*ed*), April 15, p. 2097

single vs. multiple daily dosing of aminoglycosides (*let*), May 1, p. 2430

anxiety

mirtazapine: a newer antidepressant (*article*), January 1, p. 159

reducing patient anxiety about positive screening tests (*ed*), May 15, p. 2714

sertraline in the treatment of obsessive-compulsive disorder (*let*), January 1, p. 49

arthritis

diagnosis and management of gout (*article*), April 1, p. 1799

gout and hyperuricemia (*article*), February 15, p. 925

aseptic meningitis

aseptic meningitis in the newborn and young infant (*article*), May 15, p. 2761

assault

ACOG releases a statement on identification and treatment of adolescent victims of sexual assault (*med rep*), March 15, p. 1688

don't scream, Miss Annie. Don't scream (*res stu voice*), January 1, p. 213

prophylaxis for STDs after sexual assault (*let*), June, p. 2983

asthma

manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

athletes

shoulder instability in young athletes (*article*), May 15, p. 2773

atrial fibrillation

dealing with your own parent's illness (*curb con*), April 1, p. 2003

attention deficit

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

January through June 1999

diagnosis and management of gout (*article*), April 1, p. 1799

gout and hyperuricemia (*article*), February 15, p. 925

aseptic meningitis

aseptic meningitis in the newborn and young infant (*article*), May 15, p. 2761

assault

ACOG releases a statement on identification and treatment of adolescent victims of sexual assault (*med rep*), March 15, p. 1688

don't scream, Miss Annie. Don't scream (*res stu voice*), January 1, p. 213

prophylaxis for STDs after sexual assault (*let*), June, p. 2983

asthma

manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

athletes

shoulder instability in young athletes (*article*), May 15, p. 2773

atrial fibrillation

dealing with your own parent's illness (*curb con*), April 1, p. 2003

attention deficit

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

B

back pain

clinical evaluation and treatment options for herniated lumbar disc (*article*), February 1, p. 575

nonsurgical treatment of pain in lumbar spine stenosis (*let*), January 15, p. 280

bacterial resistance

confronting antimicrobial resistance: a shared goal of family physicians and the CDC (*ed*), April 15, p. 2097

bacteriuria

urinary tract infections in adults (*article*), March 1, p. 1225

balding

medical treatments for balding in men (*article*), April 15, p. 2189

bed-wetting

primary nocturnal enuresis: current concepts (*article*), March 1, p. 1205

behavior disorder

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

biopsy

lentigo maligna melanoma and excisional biopsy techniques (*let*), March 1, p. 1108

blood pressure

angiotensin-II receptor antagonists: their place in therapy (*article*), June, p. 3140

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

bone density

NOF urges bone density tests for certain postmenopausal women and all women over age 65 (*med rep*), February 15, p. 1047

bowel training

treatment guidelines for primary nonretentive encopresis and stool toileting refusal (*article*), April 15, p. 2171

brain injury

NIH issues consensus statement on the rehabilitation of persons with traumatic brain injury (*med rep*), February 15, p. 1051

brain metastases

neurologic complications of systemic cancer (*article*), February 15, p. 878

breast cancer

pros and cons of genetic screening for breast cancer (*ed*), January 1, p. 43

screening for genetic risk of breast cancer (*article*), January 1, p. 99

breast feeding

management of gastroenteritis in breast-fed children (*let*), April 1, p. 1754

breathing problems

American Thoracic Society issues consensus statement on dyspnea (*med rep*), June, p. 3259

burns

freezer burn to the sacral area using a plastic cooler insert (*let*), February 15, p. 786

C

cancer

colorectal cancer: risk factors and recommendations for early detection (*article*), June, p. 3083

cutaneous T-cell lymphoma presenting as benign dermatoses (*article*), May 15, p. 2809

endometrial cancer (*article*), June, p. 3069

flexible sigmoidoscopy: screening for colorectal cancer (*article*), January 15, p. 313

flexible sigmoidoscopy: the unkept promise of cancer prevention (*ed*), January 15, p. 270

increased incidence of prostate cancer in black patients (*let*), March 15, p. 1402

lentigo maligna melanoma and excisional biopsy techniques (*let*), March 1, p. 1108

multiple myeloma: recognition and management (*article*), April 1, p. 1885

neurologic complications of systemic cancer (*article*), February 15, p. 878

pros and cons of genetic screening for breast cancer (*ed*), January 1, p. 43

screening for genetic risk of breast cancer (*article*), January 1, p. 99

screening options for colorectal cancer (*ed*), June, p. 2979

Sister (Mary?) Joseph's node (*let*), June, p. 2984

testicular cancer (*article*), May 1, p. 2539

when to consider radiation therapy for your patient (*article*), March 1, p. 1177

cardiovascular disease

ACE inhibitor therapy: benefits and underuse (*ed*), January 1, p. 35

AHA assesses the impact of genotyping on diagnosis of genetic cardiac disease (*med rep*), May 15, p. 2915

does estrogen therapy have a role in cardiovascular prevention? (*ed*), March 1, p. 1125

heart disease prevention begins in childhood (*ed*), April 15, p. 2093

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

interpretation of the electronic fetal heart rate during labor (*article*), May 1, p. 2487

interventions to reduce cardiovascular risk factors in children and adolescents (*article*), April 15, p. 2211

Kawasaki disease (*article*), June, p. 3093

primary prevention of CHD: nine ways to reduce risk (*article*), March 15, p. 1455

subtle ECG (*photo*), May 1, p. 2581

treatment guidelines for heart failure stress multidrug approach (*med rep*), June, p. 3265

warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

why are we using electronic fetal monitoring? (*ed*), May 1, p. 2416

cerebrovascular disease

stroke: part I. A clinical update on prevention (*article*), May 1, p. 2475

stroke: part II. Management of acute ischemic stroke (*article*), May 15, p. 2828

cesarean section

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), January 15, p. 474

chemical sensitivity

understanding patients with multiple chemical sensitivity (*let*), April 15, p. 2101

chest

American College of Chest Physicians issues consensus statement on the management of cough (*med rep*), February 1, p. 697

children

AAP releases recommendations on use of inactivated and live oral polio vaccines (*med rep*), June, p. 3268

AAP updates its guidelines for evaluation of sexual abuse (*med rep*), April 1, p. 2014

anticipatory grief in parents of dying children (*let*), May 1, p. 2435

childhood obesity: time for action, not complacency (*ed*), February 15, p. 758

childhood pancreatitis (*article*), May 1, p. 2507

chronic abdominal pain in childhood: diagnosis and management (*article*), April 1, p. 1823

combination vaccines for childhood immunization (*article*), May 1, p. 2565

evaluation and management of the child with speech delay (*article*), June, p. 3121

evaluation and treatment of childhood obesity (*article*), February 15, p. 861

heart disease prevention begins in childhood (*ed*), April 15, p. 2093

interventions to reduce cardiovascular risk factors in children and adolescents (*article*), April 15, p. 2211

Kawasaki disease (*article*), June, p. 3093

management of gastroenteritis in breast-fed children (*let*), April 1, p. 1754

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

pediatric urinary tract infection and reflux (*article*), March 15, p. 1472

poliovirus vaccine options (*article*), January 1, p. 113

primary care of infants and young children with Down syndrome (*article*), January 15, p. 381

primary nocturnal enuresis: current concepts (*article*), March 1, p. 1205

primary prevention of child abuse (*article*), March 15, p. 1577

principles for using combination vaccines (*ed*), May 1, p. 2422

recognition and management of Tourette's syndrome and tic disorders (*article*), April 15, p. 2263

school problems and the family physician (*article*), May 15, p. 2816

screening for inborn errors of metabolism in children (*let*), February 15, p. 784

treatment guidelines for primary nonretentive encopresis and stool toileting refusal (*article*), April 15, p. 2171

when a parent insists on antibiotics for a virus (*curb con*), February 1, p. 687

cholesterol

primary prevention of CHD: nine ways to reduce risk (*article*), March 15, p. 1455

chronic heart failure

treatment guidelines for heart failure stress multidrug approach (*med rep*), June, p. 3265

chronic pain

chronic abdominal pain in childhood: diagnosis and management (*article*), April 1, p. 1823

chronic critical limb ischemia: diagnosis, treatment and prognosis (*article*), April 1, p. 1899

vulvodynia and vulvar vestibulitis: challenges in diagnosis and management (*article*), March 15, p. 1547

circumcision

AAP updates its recommendations on circumcision (*med rep*), May 15, p. 2918
adult circumcision (*article*), March 15, p. 1514
Gomco circumcision (*let*), May 15, p. 2724

colorectal cancer

colorectal cancer: risk factors and recommendations for early detection (*article*), June, p. 3083

flexible sigmoidoscopy: screening for colorectal cancer (*article*), March 15, p. 1537

flexible sigmoidoscopy: the unkept promise of cancer prevention (*ed*), January 15, p. 270
screening options for colorectal cancer (*ed*), June, p. 2979

combination vaccine

combination vaccines for childhood immunization (*article*), May 1, p. 2565
principles for using combination vaccines (*ed*), May 1, p. 2422

congenital disorders

caring for infants with congenital heart disease and their families (*article*), April 1, p. 1857

congenital adrenal hyperplasia: not really a zebra (*article*), March 1, p. 1190

esophageal atresia and tracheoesophageal fistula (*article*), February 15, p. 919

spot in the eye (*photo*), January 1, p. 163

constipation

chronic abdominal pain in childhood: diagnosis and management (*article*), April 1, p. 1823

use of breakfast cereals for constipation in elderly persons (*let*), March 15, p. 1402

COPD

pulmonary mucormycosis in a patient with COPD (*let*), May 1, p. 2428

coronary artery disease

ACE inhibitor therapy: benefits and underuse (*ed*), January 1, p. 35

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

ordering and understanding the exercise stress test (*article*), January 15, p. 401

primary prevention of CHD: nine ways to reduce risk (*article*), March 15, p. 1455

corrections

annual mammographic screening in older women (*tip*), April 1, p. 1756

cervical spine radiographs in the trauma patient (*quiz*), June, p. 2990

dose of misoprostil (*diary*), April 1, p. 1756
evaluating proteinuria in children (*article*), February 1, p. 540

external cephalic version (*quiz*), March 1, p. 1122

flexible sigmoidoscopy: screening for colorectal cancer (*article*), March 15, p. 1412

herbal "health" products: what family physicians need to know (*article*), February 1, p. 540

indications for anticoagulation in atrial fibrillation (*quiz*), March 1, p. 1122

malaria prophylaxis in travelers (*fam pract*), March 1, p. 1122

management of female sexual assault (*quiz*), March 1, p. 1122

neurologic complications of systemic cancer (*article*), May 1, p. 2435

practical management of treatment-resistant depression (*article*), March 15, p. 1412

primary care of infants and young children with Down syndrome (*quiz*), June, p. 2990

primary care of international adoptees (*article*), May 1, p. 2435

snowboarding injuries (*article*), February 15, p. 786

sudden death in young athletes (*article*), February 1, p. 540

surgical options in the management of groin hernias (*article*), February 15, p. 786

cough

American College of Chest Physicians issues consensus statement on the management of cough (*med rep*), February 1, p. 697

counseling

alcohol-related problems: recognition and intervention (*article*), January 15, p. 361
don't scream, Miss Annie. Don't scream (*res stu voice*), January 1, p. 213

cystitis

urinary tract infections in adults (*article*), March 1, p. 1225

D

death

end-of-life care and family practice (*ed*), March 15, p. 1388

deep venous thrombosis

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945

low-molecular-weight heparin in preventing and treating DVT (*article*), March 15, p. 1607

warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

depression

evaluation and treatment of patients with suicidal ideation (*article*), March 15, p. 1500
mirtazapine: a newer antidepressant (*article*), January 1, p. 159

postpartum major depression: detection and treatment (*article*), April 15, p. 2247

dermatology

cutaneous T-cell lymphoma presenting as benign dermatoses (*article*), May 15, p. 2809
exfoliative dermatitis (*article*), February 1, p. 625

lentigo maligna melanoma and excisional biopsy techniques (*let*), March 1, p. 1108
manifestations of food allergy: evaluation and management (*article*), January 15, p. 415
multiple myeloma recognition and management (*article*), April 1, p. 1885
palmar rash (*photo*), March 1, p. 1259
topical psoriasis therapy (*article*), February 15, p. 957

diabetes mellitus

treatment of type 2 diabetes mellitus (*article*), May 15, p. 2835

diarrhea

prevention of malaria and diarrhea in travelers (*let*), February 1, p. 539

diet

taking a nutrition history: a practical approach for family physicians (*article*), March 15, p. 1521
use of breakfast cereals for constipation in elderly persons (*let*), March 15, p. 1402

digestive system

childhood pancreatitis (*article*), May 1, p. 2507
flexible sigmoidoscopy: screening for colorectal cancer (*article*), January 15, p. 313
flexible sigmoidoscopy: the unkept promise of cancer prevention (*ed*), January 15, p. 270
gastroesophageal reflux disease: diagnosis and management (*article*), March 1, p. 1161
management of gastroenteritis in breast-fed children (*let*), April 1, p. 1754
manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

diphtheria

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

disability

evaluating patients for return to work (*article*), February 15, p. 844

disc

clinical evaluation and treatment options for herniated lumbar disc (*article*), February 1, p. 575

diuretic therapy

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

Down syndrome

primary care of infants and young children with Down syndrome (*article*), January 15, p. 381

driving

epilepsy, driving and the law (*curb con*), January 1, p. 199

drug interactions

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

potentially fatal natural remedies (*let*),
March 1, p. 1116

dyspnea

American Thoracic Society issues consensus
statement on dyspnea (*med rep*), June, p. 3259

E

ectopic pregnancy

ACOG issues report on the medical
management of tubal pregnancy (*med rep*),
April 15, p. 2365

elderly

advance directives in patient care: if you ask,
they will tell you (*ed*), February 1, p. 530

dealing with your own parent's illness (*curb
con*), April 1, p. 2003

elder mistreatment (*article*), May 15, p. 2804

health screening in older women (*article*),
April 1, p. 1835

hypertension treatment and the prevention
of coronary heart disease in the elderly
(*article*), March 1, p. 1248

incorporating advance care planning into
family practice (*article*), February 1, p. 605

preventive care for the elderly: getting by in
the absence of evidence (*ed*), April 1, p. 1747

single vs. multiple daily dosing of
aminoglycosides (*let*), May 1, p. 2430

sleep problems in the elderly (*article*), May 1,
p. 2551

suspected abuse in an elderly patient (*curb
con*), March 1, p. 1319

use of breakfast cereals for constipation in
elderly persons (*let*), March 15, p. 1402

warfarin therapy: evolving strategies in
anticoagulation (*article*), February 1, p. 635

electrocardiography

subtle ECG (*photo*), May 1, p. 2581

encopresis

treatment guidelines for primary nonretentive
encopresis and stool toileting refusal
(*article*), April 15, p. 2171

endocrine

congenital adrenal hyperplasia: not really a
zebra (*article*), March 1, p. 1190

endometrial cancer

endometrial cancer (*article*), June, p. 3069

enuresis

primary nocturnal enuresis: current concepts
(*article*), March 1, p. 1205

enzymes

congenital adrenal hyperplasia: not really a
zebra (*article*), March 1, p. 1190

ephedra

herbal remedies: adverse effects and drug
interactions (*article*), March 1, p. 1239

epilepsy

epilepsy, driving and the law (*curb con*),
January 1, p. 199

neurologic group develops recommendations
for management of epilepsy (*med rep*),
May 1, p. 2648

new guidelines offer recommendations for
women with epilepsy (*med rep*), March 15,
p. 1681

erythroderma

exfoliative dermatitis (*article*), February 1,
p. 625

esophageal atresia

esophageal atresia and tracheoesophageal
fistula (*article*), February 15, p. 919

esophagitis

gastroesophageal reflux disease: diagnosis and
management (*article*), March 1, p. 1161

estrogen

does estrogen therapy have a role in
cardiovascular prevention? (*ed*),
March 1, p. 1125

exercise

ACSM revises guidelines for exercise to
maintain fitness (*med rep*), January 15, p. 473

primary prevention of CHD: nine ways to
reduce risk (*article*), March 15, p. 1455

exercise stress test

ordering and understanding the exercise
stress test (*article*), January 15, p. 401

exfoliative dermatitis

exfoliative dermatitis (*article*), February 1, p. 625

eye

spot in the eye (*photo*), January 1, p. 163

F

family practice

communicating effectively with a patient who
has a somatization disorder (*curb con*),
May 1, p. 2639

confronting antimicrobial resistance: a shared
goal of family physicians and the CDC (*ed*),
April 15, p. 2097

end-of-life care and family practice (*ed*),
March 15, p. 1388

evaluation and treatment of patients with
suicidal ideation (*article*), March 15, p. 1500

HIV-positive patient who avoids treatment
(*curb con*), June, p. 3252

hospitalist debate (*let*), March 15, p. 1406

insomnia: assessment and management in
primary care (*article*), June, p. 3029

labeling the somatically preoccupied: have we
gone too far? (*ed*), June, p. 2980

managing somatic preoccupation (*article*),
June, p. 3113

school problems and the family physician
(*article*), May 15, p. 2816

taking a nutrition history: a practical
approach for family physicians (*article*),
March 15, p. 1521

topical therapies for glaucoma: what family
physicians need to know (*article*), April 1,
p. 1871

primary prevention of child abuse (*article*),
March 15, p. 1577

fetal surveillance

interpretation of the electronic fetal heart rate
during labor (*article*), May 1, p. 2487

why are we using electronic fetal monitoring?
(*ed*), May 1, p. 2416

fistula

esophageal atresia and tracheoesophageal
fistula (*article*), February 15, p. 919

fitness

ACSM revises guidelines for exercise to
maintain fitness (*med rep*), January 15, p. 473

ACSM/AHA release recommendations for
fitness facilities (*med rep*), February 1, p. 693

flexible sigmoidoscopy

flexible sigmoidoscopy: screening for
colorectal cancer (*article*), January 15, p. 313

flexible sigmoidoscopy: the unkept promise of
cancer prevention (*ed*), January 15, p. 270

food

manifestations of food allergy: evaluation and
management (*article*), January 15, p. 415

use of breakfast cereals for constipation in
elderly persons (*let*), March 15, p. 1402

foot pain

chronic critical limb ischemia: diagnosis,
treatment and prognosis (*article*),
April 1, p. 1899

fractures of the proximal fifth metatarsal
(*article*), May 1, p. 2516

plantar fasciitis and other causes of heel pain
(*article*), April 15, p. 2200

fractures

cervical spine radiographs in the trauma
patient (*article*), January 15, p. 331

fractures of the proximal fifth metatarsal
(*article*), May 1, p. 2516

freezer burn

freezer burn to the sacral area using a plastic
cooler insert (*let*), February 15, p. 786

G

gangs

preventing street gang violence (*med soc*),
April 15, p. 2121

gastroenteritis

management of gastroenteritis in breast-fed
children (*let*), April 1, p. 1754

gastrointestinal disorders

childhood pancreatitis (*article*), May 1, p. 2507

flexible sigmoidoscopy: screening for
colorectal cancer (*article*), January 15, p. 313

flexible sigmoidoscopy: the unkept promise of
cancer prevention (*ed*), January 15, p. 270

gastroesophageal reflux disease: diagnosis and
management (*article*), March 1, p. 1161

management of gastroenteritis in breast-fed
children (*let*), April 1, p. 1754

manifestations of food allergy: evaluation and
management (*article*), January 15, p. 415

screening options for colorectal cancer (*ed*),
June, p. 2979

genetics

AHA assesses the impact of genotyping on
diagnosis of genetic cardiac disease (*med
rep*), May 15, p. 2915

congenital adrenal hyperplasia: not really a
zebra (*article*), March 1, p. 1190

esophageal atresia and tracheoesophageal
fistula (*article*), February 15, p. 919

primary care of infants and young children
with Down syndrome (*article*), January 15,
p. 381

pros and cons of genetic screening for breast cancer (*ed*), January 1, p. 43
screening for genetic risk of breast cancer (*article*), January 1, p. 99

genotyping

AHA assesses the impact of genotyping on diagnosis of genetic cardiac disease (*med rep*), May 15, p. 2915

Ginkgo biloba

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

ginseng

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

glaucoma

topical therapies for glaucoma: what family physicians need to know (*article*) April 1, p. 1871

glucocorticoids

congenital adrenal hyperplasia: not really a zebra (*article*), March 1, p. 1190

Gomco clamp

Gomco circumcision (*let*), May 15, p. 2724

gout

diagnosis and management of gout (*article*), April 1, p. 1799

gout and hyperuricemia (*article*), February 15, p. 925

government policy

role of government in controlling the HIV epidemic (*let*), June, p. 2983

grief

anticipatory grief in parents of dying children (*let*), May 1, p. 2435

groin

surgical options in the management of groin hernias (*article*), February 15, p. 143

group B streptococcus

maternal self-collection of specimens for GBS culture (*let*), January 1, p. 49

gynecology

ACOG/AAPF guidelines for obstetrics and gynecology (*let*), February 15, p. 774

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), January 15, p. 474

endometrial cancer (*article*), June, p. 3069

HPV testing in the evaluation of the minimally abnormal Pap smear (*article*), May 15, p. 2794

H

Haemophilus influenzae

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

hair loss

medical treatments for balding in men (*article*), April 15, p. 2189

health maintenance

health screening in older women (*article*), April 1, p. 1835

health policy

role of government in controlling the HIV epidemic (*let*), June, p. 2983

health professionals

fulfilling a social contract: alliance of health professional students (*res stu voice*), April 1, p. 2029

heartburn

gastroesophageal reflux disease: diagnosis and management (*article*), March 1, p. 1161

heart disease

ACE inhibitor therapy: benefits and underuse (*ed*), January 1, p. 35

AHA assesses the impact of genotyping on diagnosis of genetic cardiac disease (*med rep*), May 15, p. 2915

angiotensin-II receptor antagonists: their place in therapy (*article*), June, p. 3140

caring for infants with congenital heart disease and their families (*article*), April 1, p. 1857

does estrogen therapy have a role in cardiovascular prevention? (*ed*), March 1, p. 1125

heart disease prevention begins in childhood (*ed*), April 15, p. 2093

hypertension treatment and the prevention of coronary heart disease in the elderly (*article*), March 1, p. 1248

interventions to reduce cardiovascular risk factors in children and adolescents (*article*), April 15, p. 2211

Kawasaki disease (*article*), June, p. 3093

primary prevention of CHD: nine ways to reduce risk (*article*), March 15, p. 1455

subtle ECG (*photo*), May 1, p. 2581

treatment guidelines for heart failure stress multidrug approach (*med rep*), June, p. 3265

warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

heel pain

plantar fasciitis and other causes of heel pain (*article*), April 15, p. 2200

heparin

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945

low-molecular-weight heparin in preventing and treating DVT (*article*), March 15, p. 1607

hepatitis

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

CDC issues new recommendations for the prevention and control of hepatitis C virus infection (*med rep*), March 1, p. 1321

hepatitis C: part I. Routine serologic testing and diagnosis (*article*), January 1, p. 79

hepatitis C: part II. Prevention counseling and medical evaluation (*article*), January 15, p. 349

hepatitis C: who should we be treating? (*ed*), January 15, p. 273

liver disease in pregnancy (*article*), February 15, p. 829

special considerations in interpreting liver function tests (*article*), April 15, p. 2223

herbal medicine

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

over-the-counter melatonin products and contamination (*let*), January 15, p. 284

potentially fatal natural remedies (*let*), March 1, p. 1116

hernia

pelvic mass (*photo*), April 1, p. 1919

surgical options in the management of groin hernias (*article*), February 15, p. 143

herniated disc

clinical evaluation and treatment options for herniated lumbar disc (*article*), February 1, p. 575

HIV/AIDS

CDC calls for tuberculosis screening and treatment for all patients with HIV infection (*med rep*), March 15, p. 1682

HIV-positive patient who avoids treatment (*curb con*), June, p. 3252

role of government in controlling the HIV epidemic (*let*), June, p. 2983

hormone replacement therapy

does estrogen therapy have a role in cardiovascular prevention? (*ed*), March 1, p. 1125

hospitalists

the hospitalist debate (*let*), March 15, p. 1406

human papillomavirus infection

HPV testing in the evaluation of the minimally abnormal Pap smear (*article*), May 15, p. 2794

human rabies

CDC issues revised guidelines for the prevention of human rabies (*med rep*), April 1, p. 2007

Hutchinson's melanotic freckle

lentigo maligna melanoma and excisional biopsy techniques (*let*), March 1, p. 1108

hydatidiform mole

vaginal bleeding at 16 weeks (*photo*), February 1, p. 649

hyperactivity

NIH issues consensus statement on attention-deficit/hyperactivity disorder (*med rep*), May 1, p. 2645

hyperplasia

congenital adrenal hyperplasia: not really a zebra (*article*), March 1, p. 1190

R

rabies

CDC issues revised guidelines for the prevention of human rabies (*med rep*), April 1, p. 2007

radiation

when to consider radiation therapy for your patient (*article*), March 1, p. 1177

radiographs

cervical spine radiographs in the trauma patient (*article*), January 15, p. 331

safety of radiographic imaging during pregnancy (*article*), April 1, p. 1813

rape

ACOG releases a statement on identification and treatment of adolescent victims of sexual assault (*med rep*), March 15, p. 1688
don't scream, Miss Annie. Don't scream (*res stu voice*), January 1, p. 213
prophylaxis for STDs after sexual assault (*let*), June, p. 2983

rash

Kawasaki disease (*article*), June, p. 3093
manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

rectal cancer

colorectal cancer: risk factors and recommendations for early detection (*article*), June, p. 3083
screening options for colorectal cancer (*ed*), June, p. 2979

refugees

case studies in international medicine (*article*), June, p. 3040

rehabilitation

evaluating patients for return to work (*article*), February 15, p. 844

NIH issues consensus statement on the rehabilitation of persons with traumatic brain injury (*med rep*), February 15, p. 1051

renal disease

'common' uncommon anemias (*article*), February 15, p. 851

respiratory system

American Thoracic Society issues consensus statement on dyspnea (*med rep*), June, p. 3259
manifestations of food allergy: evaluation and management (*article*), January 15, p. 415

return to work

evaluating patients for return to work (*article*), February 15, p. 844

rotavirus

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

rubella

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

S

screening

alcohol-related problems: recognition and intervention (*article*), January 15, p. 361
CDC calls for tuberculosis screening and treatment for all patients with HIV infection (*med rep*), March 15, p. 1682
colorectal cancer: risk factors and recommendations for early detection (*article*), June, p. 3083
flexible sigmoidoscopy: screening for colorectal cancer (*article*), January 15, p. 313
flexible sigmoidoscopy: the unkept promise of cancer prevention (*ed*), January 15, p. 270
hepatitis C: part I. Routine serologic testing and diagnosis (*article*), January 1, p. 79
health screening in older women (*article*), April 1, p. 1835
HPV testing in the evaluation of the minimally abnormal Pap smear (*article*), May 15, p. 2794
increased incidence of prostate cancer in black patients (*let*), March 15, p. 1402
maternal self-collection of specimens for GBS culture (*let*), January 1, p. 49
ordering and understanding the exercise stress test (*article*), January 15, p. 401
pros and cons of genetic screening for breast cancer (*ed*), January 1, p. 43
reducing patient anxiety about positive screening tests (*ed*), May 15, p. 2714
screening for genetic risk of breast cancer (*article*), January 1, p. 99
screening for inborn errors of metabolism in children (*let*), February 15, p. 784
screening options for colorectal cancer (*ed*), June, p. 2979
scrotum
diagnosis and treatment of the acute scrotum (*article*), February 15, p. 817
seizures
epilepsy, driving and the law (*curb con*), January 1, p. 199
neurologic group develops recommendations for management of epilepsy (*med rep*), May 1, p. 2648

new guidelines offer recommendations for women with epilepsy (*med rep*), March 15, p. 1681

sertraline

sertraline in the treatment of obsessive-compulsive disorder (*let*), January 1, p. 49

sexual assault

AAP updates its guidelines for evaluation of sexual abuse (*med rep*), April 1, p. 2014
ACOG releases a statement on identification and treatment of adolescent victims of sexual assault (*med rep*), March 15, p. 1688
don't scream, Miss Annie. Don't scream (*res stu voice*), January 1, p. 213
prophylaxis for STDs after sexual assault (*let*), June, p. 2983

sexual function

vulvodynia and vulvar vestibulitis: challenges in diagnosis and management (*article*), March 15, p. 1547

sexually transmitted disease

HPV testing in the evaluation of the minimally abnormal Pap smear (*article*), May 15, p. 2794
prophylaxis for STDs after sexual assault (*let*), June, p. 2983
resolving the common clinical dilemmas of syphilis (*article*), April 15, p. 2233

shoulder

adhesive capsulitis: a sticky issue (*article*), April 1, p. 1843
shoulder instability in young athletes (*article*), May 15, p. 2773

shoulder dystocia

peripartum emergencies (*let*), June, p. 2984

sickle cell anemia

chronic non-healing ulcers (*photo*), June, p. 3153

sigmoidoscopy

flexible sigmoidoscopy: screening for colorectal cancer (*article*), March 15, p. 1537
flexible sigmoidoscopy: the unkept promise of cancer prevention (*ed*), January 15, p. 270

skin

chronic non-healing ulcers (*photo*), June, p. 3153
cutaneous and systemic manifestations of mastocytosis (*article*), June, p. 3057
exfoliative dermatitis (*article*), February 1, p. 625
freezer burn to the sacral area using a plastic cooler insert (*let*), February 15, p. 786
Kawasaki disease (*article*), June, p. 3093
lentigo maligna melanoma and excisional biopsy techniques (*let*), March 1, p. 1108
multiple myeloma: recognition and management (*article*), April 1, p. 1885
palmar rash (*photo*), March 1, p. 1259
topical psoriasis therapy (*article*), February 15, p. 957

sleep disorders

insomnia (*article*), April 1, p. 1911
insomnia: assessment and management in primary care (*article*), June, p. 3029

problem sleepiness: an often unrecognized condition (*ed*), February 15, p. 762
recognizing problem sleepiness in your patients (*article*), February 15, p. 937
sleep problems in the elderly (*article*), May 1, p. 2551

Sister Joseph's node

Sister (Mary?) Joseph's node (*let*), June, p. 2984

smoking cessation

primary prevention of CHD: nine ways to reduce risk (*article*), March 15, p. 1455

snowboarding injuries

snowboarding injuries (*article*), January 1, p. 131

social contract

fulfilling a social contract: alliance of health professional students (*res stu voice*), April 1, p. 2029

somatic disorders

communicating effectively with a patient who has a somatization disorder (*curb con*), May 1, p. 2639
labeling the somatically preoccupied: have we gone too far? (*ed*), June, p. 2980
managing somatic preoccupation (*article*), June, p. 3113

speech delay

evaluation and management of the child with speech delay (*article*), June, p. 3121

spinal cord

cervical spine radiographs in the trauma patient (*article*), January 15, p. 331

spinal stenosis

nonsurgical treatment of pain in lumbar spine stenosis (*let*), January 15, p. 280

spine

cervical spine radiographs in the trauma patient (*article*), January 15, p. 331

sports medicine

ACSM revises guidelines for exercise to maintain fitness (*med rep*), January 15, p. 473
snowboarding injuries (*article*), January 1, p. 131

sprains

snowboarding injuries (*article*), January 1, p. 131

St. John's wort

herbal remedies: adverse effects and drug interactions (*article*), March 1, p. 1239

stress fracture

fractures of the proximal fifth metatarsal (*article*), May 1, p. 2516

stroke

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945
stroke: part I. A clinical update on prevention (*article*), May 1, p. 2475
stroke: part II. Management of acute ischemic stroke (*article*), May 15, p. 2828
warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

suicide

evaluation and treatment of patients with suicidal ideation (*article*), March 15, p. 1500

surgery

AAP updates its recommendations on circumcision (*med rep*), May 15, p. 2918
adult circumcision (*article*), March 15, p. 1514
Gomco circumcision (*let*), May 15, p. 2724
surgical options in the management of groin hernias (*article*), February 15, p. 143

syphilis

palmar rash (*photo*), March 1, p. 1259
resolving the common clinical dilemmas of syphilis (*article*), April 15, p. 2233

T

terminal illness

single vs. multiple daily dosing of aminoglycosides (*let*), May 1, p. 2430

testicles

diagnosis and treatment of the acute scrotum (*article*), February 15, p. 817
testicular cancer (*article*), May 1, p. 2539

testing

HPV testing in the evaluation of the minimally abnormal Pap smear (*article*), May 15, p. 2794
ordering and understanding the exercise stress test (*article*), January 15, p. 401
reducing patient anxiety about positive screening tests (*ed*), May 15, p. 2714

tetanus

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

thalamic stimulation

classification of tremor and update on treatment (*article*), March 15, p. 1565

thalassemia

'common' uncommon anemias (*article*), February 15, p. 851

thrombocytopenia

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945

thrombosis

low-molecular-weight heparin in outpatient treatment of DVT (*article*), February 15, p. 945
warfarin therapy: evolving strategies in anticoagulation (*article*), February 1, p. 635

tic disorders

recognition and management of Tourette's syndrome and tic disorders (*article*), April 15, p. 2263

toileting

treatment guidelines for primary nonretentive encopresis and stool toileting refusal (*article*), April 15, p. 2171

topical therapy

topical psoriasis therapy (*article*), February 15, p. 957

Tourette's syndrome

recognition and management of Tourette's syndrome and tic disorders (*article*), April 15, p. 2263

tracheoesophageal fistula

esophageal atresia and tracheoesophageal fistula (*article*), February 15, p. 919

trauma

cervical spine radiographs in the trauma patient (*article*), January 15, p. 331
NIH issues consensus statement on the rehabilitation of persons with traumatic brain injury (*med rep*), February 15, p. 1051

travel medicine

case studies in international medicine (*article*), June, p. 3040
malaria prevention in travelers (*article*), May 1, p. 2523
prevention of malaria and diarrhea in travelers (*let*), February 1, p. 539

tremor

classification of tremor and update on treatment (*article*), March 15, p. 1565
update on Parkinson's disease (*article*), April 15, p. 2155

tubal pregnancy

ACOG issues report on the medical management of tubal pregnancy (*med rep*), April 15, p. 2365

tuberculosis

CDC calls for tuberculosis screening and treatment for all patients with HIV infection (*med rep*), March 15, p. 1682

U

ulcers

chronic non-healing ulcers (*photo*), June, p. 3153

urinary tract infections

pediatric urinary tract infection and reflux (*article*), March 15, p. 1472
urinary tract infections in adults (*article*), March 1, p. 1225

uterine cancer

endometrial cancer (*article*), June, p. 3069

V

vaccine

1999 harmonized immunization schedule (*med rep*), January 1, p. 203
AAP releases recommendations on use of inactivated and live oral polio vaccines (*med rep*), June, p. 3268
CDC issues revised guidelines for the prevention of human rabies (*med rep*), April 1, p. 2007
combination vaccines for childhood immunization (*article*), May 1, p. 2565
poliovirus vaccine options (*article*), January 1, p. 113
principles for using combination vaccines (*ed*), May 1, p. 2422

vaginal bleeding

vaginal bleeding at 16 weeks (*photo*), February 1, p. 649

vaginal delivery

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), January 15, p. 474

varicella

1999 harmonized immunization schedule (*med rep*), January 1, p. 203

vasculitis

Kawasaki disease (*article*), June, p. 3093

VBAC

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), January 15, p. 474

violence

preventing street gang violence (*med soc*), April 15, p. 2121

virus

1999 harmonized immunization schedule (*med rep*), January 1, p. 203
CDC issues new recommendations for the prevention and control of hepatitis C virus infection (*med rep*), March 1, p. 1321
hepatitis C: part I. Routine serologic testing and diagnosis (*article*), January 1, p. 79
hepatitis C: part II. Prevention counseling and medical evaluation (*article*), January 15, p. 349
hepatitis C: who should we be treating? (*ed*), January 15, p. 273
poliovirus vaccine options (*article*), January 1, p. 113
when a parent insists on antibiotics for a virus (*curb con*), February 1, p. 687

vulva

vulvodynia and vulvar vestibulitis: challenges in diagnosis and management (*article*), March 15, p. 1547
